Cranfields Property

Raintree

11 Holly Lane, Smiths

\$ 1,845,000

MLS Number: 1131

Raintree is a spacious house designed for entertaining with lovely ocean views and a large pool area. The covered porch catches summer breezes and attractive patios transition the home to the pool. The surrounding gardens are well established, comprising 0.69 acre of lawn, palms and flowering shrubs for low maintenance, year-round colour and charm.

This is likely a “forever home” for a family looking for a good neighbourhood with easy access to schools and town and who want to put their own stamp on a property. The main house has 3 bedrooms and 2 bathrooms with a living room, dining room and family room - which can be used interchangeably to suit your lifestyle. Downstairs is a delightful and well planned two-bedroom apartment with the possibility of re-incorporating into the main house should you require. A garage plus tons of storage, AC throughout and a fresh well completes the picture for a family home that ticks all the boxes.
