25 Wreck Road, Sandys
Rental \$7,500 per month

MLS Number: R 154

Beautiful 3 bedroom and 2.5 bathroom updated Bermuda house on several acres of private estate land with water access.

Stainless appliances and granite counters fill the kitchen which adjoins a large laundry/mudroom. There is air-conditioning throughout the home and floors are tile or traditional wood. New windows and a covered porch overlook stunning water views of Ely's Harbour, natural woodland or the expansive pool and entertaining area tucked behind the house.

Traditional in design, this home is filled with character features for your family to enjoy throughout the year - from the moongate framed view and pool, to the vaulted beam ceilings and traditional fireplace in the living room.

Off the welcoming entryway, is the living room with good natural light - perfect for relaxing or entertaining guests by the fireplace. Nearby is a large dining room combined family room with another fireplace and doors to outside and to the kitchen. The well-proportioned master suite includes a tastefully renovated en-suite with walk in shower. The second, third bedroom and study are well lit with an updated bathroom off the same hallway.

Along with plenty of lawn space and the pool area there are rambling pathways leading both to hilltop view points and to a small private beach. And, (perfect for the extra storage that you need for kids toys) there is a 500+ sq ft garage and paved driveway.
